

Health Professions Career Resources

UCSB Career Services - <http://career.sa.ucsb.edu/>

Occupational Outlook Handbook - <https://www.bls.gov/ooh/>

OOH describes the nature of work, job outlook, training/qualifications required, and earnings, and lists related occupations and sources of additional information.

Employment Projections - <https://www.bls.gov/emp/home.htm>

The Employment Projections (EP) program develops information about the labor market for the Nation as a whole for 10 years in the future.

California Occupational Guides from the California Employment Development Department

- <http://www.labormarketinfo.edd.ca.gov/OccGuides/>

Provide detailed information on California wages, job outlook, education, and licensing requirements for approximately 300 occupations. The occupational guides are available in two versions summary and detailed. The Summary Guide includes job description, job outlook and wages, and qualification requirements. The Detailed Guide expands on everything in the Summary Guide plus benefits, licensing, education, training, links to possible employers, how to find a job, related occupations, and links to additional resources.

O*Net Online - <https://www.onetonline.org/find/>

Browse groups of similar occupations to explore careers. Choose from industry, field of work, science area, and more.

UCSB Library Search – <http://www.library.ucsb.edu>

Search your occupation of interest and add “vocational guidance” to the search. For example:
nursing vocational guidance
pharmacy vocational guidance

Limit by date to get the most current resources. Use “Publication/Creation Date” on the left side of the screen.
